## WHY SHOULD YOU PARTNER WITH THE OCALA OPEN?

The Ocala Open will begin with a Charity Pro-Am event on Tuesday, March 18, 2025. Pair with one of the Ocala Open golf professionals, and challenge the Candler Hills Golf Course.

Start the day with a breakfast personally prepared by our chefs at The Club at Candler Hills. After that, the golfers will be able to select their tee gift at the golf shop located in the Candler Hills Community Center. Warm-up your golf swing next to the pros that will be vying for Ocala Open honors later in the week; play golf with a pro and get a few pointers for your own game as well.

Complete the day with the Champion's Round-up Barbecue and Awards Luncheon. The best part: your involvement benefits Hospice of Marion County Inc., and Interfaith Emergency Services.

## CHARITY PRO-AM

The Ocala Open has become a tradition at Candler Hills Golf Course. Year after year, we partner with local businesses and residents to enjoy the great game of golf while also benefiting our community. To date, the Ocala Open has raised \$1,093,064 for local charities. We couldn't do that without your support!

In addition to the Charity Pro-Am, we host a three day tournament where talented and world class professional golfers challenge our course, and each other, for the first place prize.

Now in its twentieth year, this event showcases Ocala as a great place to not only visit and have fun, but to live and work. Partnering with the Ocala Open allows you to make a difference in our community while promoting your organization to residents, visitors, and spectators.

## OUR CHARITIES

Hospice of Marion County (HMC), now part of Empath Health, has served Marion County, Florida, since 1983. As a not-for-profit organization, HMC provides expert end-of-life care with a mission of delivering exemplary, compassionate comfort care. Their team offers comprehensive support services, including counseling, chaplaincy, social services, caregiver respite, and bereavement support. HMC is also a leader in dementia education, equipping caregivers and the community with essential resources to navigate memory-related illnesses. As part of Empath Health's Full Life Care approach, HMC ensures that patients and families receive holistic support, addressing physical, emotional, and spiritual needs. For many years, On Top of the World and the Ocala Open have partnered with HMC to support its mission through fundraising and community awareness efforts. This collaboration reflects a shared dedication to enhancing quality of life, ensuring that individuals facing serious illness receive the comfort, dignity, and support they deserve.

Interfaith Emergency Services (IES) is a not-for-profit organization which brings together people of all faiths who seek to minister to persons in need through combined prayer and action. IES provides basic human needs such as food, shelter, clothing, and emergency financial assistance to those in need right here in our community. "Now that Interfaith Emergency Services has added free medical, dental, and mental health services to our ministry, we need and appreciate On Top of the World's support more than ever!

With your help, we can improve the quality of life for those struggling the most in our community. Thank you for helping us help those in need of clothing, shelter, food, medication, and medical services through your participation in the Ocala Open. Together we can make a difference."
